Trinity helps you alleviate the stigma of having bad credit—hassle free and affordable. Our credit repair specialists work with you to achieve maximum results while re-establishing your credit worthiness. No Credit Problem is Too Difficult!

Hello,

Trinity is a full credit restoration company. I would love to partner with you and your team, and to assist your serious borrowers with obtaining the credit rating they need to secure their loan.

**Credit Restoration Facts**—Credit bureaus report what's easily available - forget to update their records - show no concern for the accuracy of their information - and your credit history pays the price.

85-95% of all credit reports have 1) Triple Reporting 2) Major Inaccuracies & 3) Mis-Reporting

The Fair Credit Reporting Act was enacted by congress to protect consumers because items should not have been reported in the first place, must now be completely removed, & cannot be re-inserted once our attorneys have them deleted.

**Our Service is Elite** We educate our clients how to build and maintain peak credit & be a good steward of their finances & we remain committed to obtaining the best possible beacon score you can achieve. We have affordable payment plans available and tools to help re-establish your credit, catch up on mortgage payments.

We can take care of any type of negatives on their credit report outside of six to twelve months and help you close those loans within 30-90 days.

#### We Delete

- Tax Liens
- Judgments
- Repos
- Foreclosures
- Evictions
- Charge Offs
- Medical Bills
- Late Payments
- Bankruptcies
- Student Loans
- You Name it We Delete It

**FACTS :** I already have a credit repair company that I work with. Do they offer a 30-90 day turn around? Do they have unsecured trade lines up to 7,500 to help your customers offset your client's debt to credit ratio? Do they have a **100% money back guarantee?** Unlimited deletions? — We do!

Are you paying too much for ineffective service?

**Rapid Rescoring**—does not fix the problems, it is a short fix to boost the score 20-40 pts—it's not credit repair & it is costly!

**Does your repair company** have unending monthly fees? Do they hold you down for years? Not with Trinity.

**How many loans have you closed with them in the past 30 days? We are SERIOUS about helping you be SUCCESSFUL in closing more loans!**
